

April 2012

Men's fashion designer IZAC chooses AURES Group's Odysseé EPOS terminals.

Runcorn - Lisses, 3. April 2012; *Men's fashion retailer IZAC (owned by JSR) has chosen the AURES Group and its Odysseé II EPOS terminals for cash desk operations in its sales outlets in France.*

Manufacturer **AURES'** touchscreen systems are being deployed to some thirty company-owned **IZAC** stores in Paris and the rest of France.

The **Odysseé** systems being installed in **IZAC** outlets use the **FASTMAG** software solution developed by **ACE Informatique**.

About IZAC

Established in 2003, **IZAC** has expanded rapidly across France, selling off-the-peg menswear.

Based in the heart of Paris, the company oversees the design, production and distribution of its own garments and accessories.

Its mid to top-of-the-range positioning in terms of style, materials and finishing is perfectly suited to the expectations of a demanding men's target.

About ACE Informatique and FASTMAG

Developed by **ACE Informatique**, **FASTMAG** is a software suite geared to specialist retail applications, more especially clothing.

Based on 'full web', real-time technology, the software has four main modules: store business management, production management, creating and managing e-commerce sites, and retail and accounting management for wholesalers, importers and buying groups.

About the AURES Group

Founded in 1989 and listed on Euronext Paris since 1999, the Group manufactures point of sale terminals and systems, as well as related peripherals.

Acclaimed for its excellent reliability, this PC-based, open-system EPOS hardware is designed to provide management and till functions in specialist food and non-food stores, retail outlets, superstores, the catering and hospitality industry – *and all other points of sale and service.*

Offering POS equipment featuring innovative designs and a wide range of fully interchangeable colours, the AURES Group is positioned as the most creative leader in its field.

Distribution of AURES' EPOS hardware is based out of the Group's headquarters in France, its three subsidiaries in the *United Kingdom, Germany and the USA*, and a distributor network present in over fifty countries.

**Electronic Point of Sale terminals*
